

Support By Your Side

Acadia Connect® is a patient and family support program that connects healthcare providers (HCPs), office staff, and caregivers with dedicated tools and resources in the treatment journey after patients have been prescribed DAYBUE™.

Our team is committed to providing HCPs, office staff, and caregivers with educational tools and resources every step of the way.

Coverage and access support

Assist HCPs by providing information on benefits investigations and prior authorizations

Help caregivers understand and verify the patient's insurance coverage

Financial assistance

Guide HCPs and caregivers to appropriate financial assistance options for eligible patients

Prescription delivery

Coordinate prescription delivery to caregivers and patients through AnovoRx Specialty Pharmacy

Ongoing support and education

Provide tools and resources throughout the treatment journey

For more information, visit AcadiaConnect.com or call 1-844-737-2223, Monday to Friday, 8AM to 8PM ET
